1.C.5 The institution engages in an effective system of assessment to evaluate the quality of learning in its programs as the institution recognizes the central role of faculty to establish curricula, assess student learning, and improve instructional programs

1.C.6 Consistent with its mission, the institution establishes and assesses, across all associate and bachelor levels or within a General Education curriculum, institutional learning outcomes and/or core competencies. Examples of such learning outcomes and competencies include, but are not limited to, effective communication skills, global awareness, cultural sensitivity, scientific and quantitative reasoning, critical analysis and logical thinking, problem solving, and/or information literacy.

1.C.7 The institution uses the results of its assessment efforts to inform academic and learning support planning and practice to continuously improve student learning outcomes
