Re: AY20 Expedited Program Review Findings - Logistics & Supply Chain Operations AA

I have reviewed the dean's findings and completed Expedited Program Review Template for the Logistics and Supply Chain Operations AA. This is the only program that has been identified as a Critical Program. I have also completed the Response Form from the program.

Recommendation

My recommendation is that the request to the Board of Regents should be to delete after admissions have been suspended until the teach out has been completed. This will allow reallocating resources to areas of critical need. Students must begin this fall with an introductory Logistics course, and then go on to part

Aside from coordination efforts within the college and the efficiency issues in the university level there are very little costs once student levels meet expertise hiring requirements. Standard student support costs are present.

One final issue with the LGOP AAS and Logistics in study in general, the further from the hands-on
